

EPA PUBLIC NOTICE

Administrative Record Available for Public Review HAMBURG KAERCHER CREEK SITE

The U.S. Environmental Protection Agency (EPA) announces the availability of the Administrative Record for cleanup activities being conducted at the Hamburg Kaercher Creek Site in Hamburg, Pennsylvania. EPA is removing and capping lead contaminated soil and debris from the banks of the creek. The Administrative Record contains documents about the cleanup which describe how public health and the environment will be protected.

The Administrative Record file can be viewed at the following locations:

1. Online: <https://semspub.epa.gov/src/collection/03/AR6410>
2. Information repositories:

Hamburg Public Library
35 North Third Street
Hamburg, PA 19526
Phone: (610) 562-2843

*U.S. EPA Region III
1650 Arch Street
Philadelphia, PA 19103
Phone: (215) 814-2997
Please call for an appointment.

*The EPA Region III office is currently closed to visitors due to the COVID-19 public health emergency. The Administrative Record file will be available when the buildings reopen.
