Hi All:

I haven't forgotten and it's still on my to do list, but I haven't followed up on my commitment to you yet. I have one more program review to write, and then Bessey is up as my #1 priority.

Thanks for asking.

Holly,

The Nebraska Site Assessment Manager, Brian Mitchell, hasn't seen any work plans for PA at the Bessey site. I'm worried that A PA might be done that isn't acceptable to EPA. Can you let him know what is going on with the Bessey site?

Thanks, Paul
